# EFFECTIVE MYSTERY SHOPPING

Become an effective mystery shopper equipped with the best tools to perform secretly but efficiently

## OVERVIEW

Mystery shopping is an important tool in market research used by top companies in which undercover shoppers evaluate the product quality and more importantly the quality of customer service along with other elements of customer's experience. Companies use this method to evaluate the competition and also improve their level of customer service. It provides the business with the likes and dislikes of a consumer, to enhance the employees' awareness of the product and also the importance of customer service.

## PRIMARY OBJECTIVES & BENEFITS

*This workshop will help participants to:*

1. Retain more of their past and present customers by learning how to do in-house mystery shopping.
2. Gain market share by attracting new customers and improving service quality.
3. Drastically improve the quality of customer service.
4. Enhance the customers' shopping experience.
5. Enhance the employees' awareness about the product and also the importance of customer service.
6. Identify best practices and implement them on a large scale.
7. Improve credibility.

## WHO SHOULD ATTEND?

- Delegates who want to add value to their organizations
- Organizations who want their employees to work productively
- Organizations that need to upgrade their shopping experience
- Organizations maintaining policies and procedures
